

St Nicholas' Home Staff and Volunteers Appreciation Dinner 2018

7/12/2018

Friday, 7 December 2018 – We were grateful that God has blessed us this year and we were able to have our Staff and Volunteers Appreciation Dinner at St. Giles Wembley, Penang. We would like to thank our sponsors who have made this dinner a memory to remember. We congratulate all recipients of our token appreciation for serving the Home. We hope that this event will inspire the young generation to become volunteers and participate in the future Home events.
